

Return To Play – Health Questionnaires

The following is intended to support Club Officers and volunteers in the completion of the CoVID Health Questionnaires required to participate in Gaelic Games activities.

Each person participating in Gaelic Games must complete a Health Questionnaire, answering some basic health related questions, prior to the first occasion that they return to their club.

They must also re-confirm that their Health Status hasn't changed on each subsequent occasion that they participate.

Parents / Guardians can submit forms on behalf of their dependents and forms can also be submitted on behalf of person's who may struggle with completing the electronic form themselves.

Covid Supervisors in clubs can verify that individual members of their teams / panels have submitted forms and are permitted to participate. They do not have access to view information provided on forms, simply that it has been submitted.

Forms can be accessed by visiting the URL <https://returntoplay.gaa.ie> or by browsing to the gaa.ie website and clicking the link on the homepage.
